Dear Ms. Donovan,

I have been persistently questioned about my participation in the October 6th hearing on an interim growth ordinance.

In a telephone conversation on October 5 with Blanka Breeze of your agency, I asked for and received permission to record the conversation.

I relied on the telephone advise given by Blanka Breeze, that I could participate in the hearing as long as there was no discussion of subdivisions.

I am asking that all correspondence relating to this case be held until such time as written confirmation of the telephone conversation can be included.

Sincerely,

Jim Johnson
